About Company

At Gurkha Cleaning, we understand the importance of maintaining a clean and well-maintained exterior. Our dedicated team of experienced cleaners is equipped with the latest industry-leading equipment and techniques to tackle even the toughest outdoor cleaning challenges.

From pressure washing driveways and pathways to revitalizing the appearance of building facades, we take pride in delivering exceptional results. Our exterior cleaning services cover a wide range of options, including window cleaning, roof cleaning, gutter cleaning, and more. We have the expertise to handle various surfaces and materials, ensuring a thorough and safe cleaning process.
