

Gurkha Education Cleaning Specialist (G.E.C)

Winchester based independent cleaning company specialising in Schools, Colleges & Nurseries.

Cost effective cleaning solution

Gurkha Education Cleaning (G.E.C) is the education cleaning expert for Hampshire schools. As an approved supplier for Hampshire County Council, we understand the unique demands of schools from safeguarding and hygiene standards to minimizing disruption during term time.

We have access to honest, hardworking and loyal members of the Nepalese community who can provide a dedicated and consistent level of service.

We carry substantial insurance coverage of £10 million employers' liability and £10 million public liability, fully protecting our clients, their premises, their staff, and our team.

We are ISO 9001:2015, ISO 14001:2015, and CHAS certified for the assurance of environmental responsibility, and health & safety compliance. All staff members have undergone an enhanced DBS check, and we have an internal safeguarding program that includes certification upon successful completion of a test.
